

**FORM**  
**APPLICATION FOR THE PLACEMENT OF A CRANE**

According to ICAO (International Civil Aviation Organization) regulations regarding aviation safety it is mandatory to obtain the advice of the airport operator for any permanent or temporary construction at or in the surroundings of the airport.

Before erecting a crane you should complete this form and send it to:

[servitudes@brusselsairport.be](mailto:servitudes@brusselsairport.be)  
[urba@belgocontrol.be](mailto:urba@belgocontrol.be)

You will receive an advice from BAC and Belgocontrol within 1 month following the receipt of your request.

\* mandatory fields

**Details of the requestor**
